

Registration is now open!

Join our **Child and Adolescent Psychiatrists** in an interactive didactic opportunity.

Wisconsin CPCP will be hosting a quarterly case conference series:

- ▶ Free to all WI providers working with children with mental health concerns
- ▶ 40-minute interactive case presentation
- ▶ Downloadable tip sheet

Managing Complex Presentations of Common Psychiatric Disorders in Children: what to do when your go-to treatments don't work

Objectives: Become more familiar with prescribing and monitoring second and third-line treatments for depression, anxiety, and ADHD. Understand which patients may benefit from moving beyond first-line treatment for depression, anxiety, and ADHD.

DATE | February 19, 2025

TIME | 12:10-1:00 p.m.

PRESENTER | Dr. Colleen Manak, MD

*Assistant Professor, Child & Adolescent Psychiatrist
Medical College of Wisconsin, Children's Wisconsin*

REGISTRATION
