

Registration is now open!

Join our Child and Adolescent Psychiatrists in an interactive didactic opportunity.

Wisconsin CPCP will be hosting a quarterly case conference series:

- ▶ Free to all WI providers working with children with mental health concerns
- ▶ 40-minute interactive case presentation
- ▶ Downloadable tip sheet

Behavioral Interventions in Young Children

Learning Objectives: Develop effective ways to assess and discuss challenging behaviors of preschool-aged children within the primary care visit. Identify evidence-based behavioral strategies for young children, including referrals for formal interventions such as Parent-Child Interaction Therapy (PCIT).

DATE | Wednesday, February 21, 2024

TIME | 12:10-1:00 p.m.

PRESENTER | Jacqueline Kawa, PhD
Child and Adolescent Psychologist
